

Une traçabilité fiable
 Reliable traceability

LiveTrack® Reader

Used globally, the LiveTrack® reader is the most advanced and affordable ISO livestock hand held wand reader. With a memory of up to 10,000 RFID tags, it improves performance and lowers overhead while processing livestock in the field. Conceived with the help of cattlemen and other livestock professionals the LiveTrack® reader is **robust and easy to use**, making it an ideal solution for producers, transporters, feedlots, auction houses, sales yards and veterinarians.
